

RIGHT-WING ATTACKS UPON COUNCIL ON FOREIGN RELATIONS, ILLUMINATI, AND ROCKEFELLER FAMILY

ANTI-CFR-ILLUMINATI-ROCKEFELLER LITERATURE

Revised March 2019

What follows is a brief introduction to the long intellectual history of anti-CFR, anti-Illuminati, and anti-Rockefeller arguments. This is an ongoing work-in-progress and newer editions will be forthcoming.

There are literally many hundreds of books, pamphlets, and articles from the 1920's forward which discuss "*hidden*" or "*invisible*" government or a "*hidden hand*" or "*secret societies*" behind political developments, as well as "*plots for world domination*" whose principals are described variously as communists, Bolsheviks, Jews, freemasons, Illuminati, insiders, a power elite, international bankers, Trilateralists, Bilderbergers, zionists, followers of Cecil Rhodes, or other perceived noxious "*alien*" or "*subversive*" characters. In 2019, we can add "*Deep State*".

The evidence cited in early 20th century sources is often identical to, or it expands upon, the evidence used in subsequent anti-CFR, anti-Illuminati, and anti-Rockefeller publications produced by conspiracy groups like the John Birch Society.

"A CONSIDERABLE stir has been caused in the political dovecots of Europe by the publication of an amazing pamphlet, entitled 'The Jewish Peril.' This pamphlet, which has a sub-head, 'Protocols of the Learned Elders of Zion', professes to reveal a plot, formulated by a Jewish secret society, for the overthrow of Christendom."

General Eli A. Helmick: *Undermining the Youth of the Nation (2/23/25)* [copy in Eli A. Helmick Papers, Special Collections Department, Joyner Library, East Carolina University, Greenville NC]

Gen. Helmick (Inspector General of the U.S. Army from 1919-1927) asserted in his speeches and writings that Bolshevism was a continuation of an international Illuminati conspiracy that originated in Europe during the 18th century. It incited the French Revolution of 1789 and it was “the influence which led to the bloodshed during the reign of terror” and, then, a century later, Karl Marx carried on the conspiracy through the “terrible bloodshed in the Paris Commune after the overthrow of the French Government in 1871.” The contemporary manifestation of this conspiracy, according to Helmick, was the Communist International of Lenin and Trotsky.

The 1999 reprint by Omni Publications described the book as “reveals the truth and exposes the evil deeds and plans of the Zionist-Illuminati movement to conspire against Christ, Christians, and Christianity.”

In 1944, Jeremiah Stokes (see his entry below) observed that Gaebelein’s book “traces the era of lawlessness and attacks upon civilization by the Forces of Evil from the time of the crucifixion of Christ to the present day.”

On page 69, Dr. Gaebelein refers to establishment of a “New Order” which was the objective of Adam Weishaupt and The Illuminati.

“To understand the more modern source of the serpent-controlled powers which now aim at world revolution, the dethronement of righteousness and truth, the establishment of what is called a ‘new order’, we must go for a starting point to the eighteenth century. It was during the last half of that century of disaster that a secret order known by the name ‘Illuminati’ came into existence. A similar movement known as Satanism had existed before.” ...

It dates back to the Secret Order of the Illuminati, which was organized in 1776 by Adam Weishaupt of Bavaria, and which caused the fomenting of revolutions in Europe.”

Arno Clemens Gaebelein of New York City entitled *The Conflict of Ages* which “traces the era of lawlessness and attacks upon civilization by the Forces of Evil from the time of the crucifixion of Christ to the present day.” On page 69, Dr. Gaebelein refers to establishment of “New Order” which was the objective of Adam Weishaupt and The Illuminati.

Pg 68: In a section captioned “*The Six Pivotal Points of Weishauptism*” Stokes discusses the “aims of the Illuminati” as revealed by Dr. Gaebelein on page 72 of his book. Stokes then observes: “An examination of Marx’s doctrines shows that his entire system of ideology is built upon and around the Weishaupt-Illuminati six points of destruction.”

1950’s – specific date unknown

According to Myron C. Fagan (Cinema Educational Guild—Los Angeles CA), the Rothschilds took control of the Illuminati from Adam Weishaupt and they then used the organization to control U.S. foreign policy through the Council on Foreign Relations. Fagan’s organization periodically published his tracts as a “*News Bulletin*” -- each with a sequential number.

Herbert Sanborn: *Anthology of Miscellaneous Writings* (no specific date; self-published, contains essay entitled “*Preface To The History of International Conspiracy*” – which discusses Illuminati)

William Guy Carr: *News Behind The News* (the monthly newsletter of Carr’s Federation of Christian Laymen) published numerous articles which discussed the power of the Illuminati in U.S. and world affairs. See for example: Vol 1, #8, June-July 1957, p6 where Carr refers to the death of Sen. Joseph McCarthy: “His fate was not sealed until he realized that Communists are controlled by agentur of the Illuminati.”

Don Bell: During the 1950’s the *Don Bell Reports* newsletter frequently mentioned the history and activities of the Illuminati. See for example the April 22, 1955 issue, p23. Also see 1956 and 1972 entries below.

1951:

U.S. Far East Policy Directed By Pro-British Rhodes Scholars (Headlines and What’s Behind Them, newsletter of Constitutional Educational League, 4/1/51, p6):

“The dead hand of a British multi-millionaire who in his will openly urged that the British Empire’ recover’ the United States, plays an unsuspectedly important part in shaping American foreign policy. The millionaire was Cecil Rhodes, founder of the De Beers Diamond Company...He established the Rhodes Trust in 1899 to educate promising young Americans at Oxford University where they could be saturated with pro-British attitudes...The presence of this cohesive and self-active pro-British group in our governmental, journalistic, and cultural movements, guiding them subtly toward Anglo-American ends, explains much that has appeared mysterious in our foreign policy decisions in recent times. (Dr. Frank) Aydelotte has boasted that: ‘Rhodes scholars...have taken a prominent part in the work of such organizations as the Council on Foreign Relations, the National Policy Committee, the League of Nations Association, Union Now, the United Nations Association, the Commission for the Study of Organization of Peace...the Institute of Pacific Relations, the World Peace Foundation and the research groups attached to the Department of State.’ “

Homer L. Owen: *The Devil You Say* (Waco TX: self-published, 24pp, re: Federal Reserve, Jews, and the Illuminati)

The *Chicago Tribune* ran highly derogatory articles and editorials discussing the influence of Cecil Rhodes’ functionaries (aka the “Roundtable conspiracy”) in U.S. society. As students of this subject know, the Roundtable Group is often described as the British antecedent of CFR and according to Gary Allen in *None Dare Call It Conspiracy*, Edward House met with influential Roundtable members in Paris in May 1919 and that meeting “committed the conspiracy to creation of the CFR” (p82) “whose job it would be to propagandize the

citizens of America, England and western Europe on the glories of World Government.” (p79). Allen also describes CFR as “a subsidiary of the Roundtable Group...” (pg 82)

An excerpt from this pamphlet follows:

"For the membership of the CFR holds in its highest ranks the top Communist agents and traitors...The role of the subversives in the CFR is obviously to indoctrinate their fellow members, as their masters wish to have them indoctrinated...The deliberate purpose to which the CFR has been dedicated since it was taken over by its present bosses in 1926, is to further the interests of the Rockefeller Empire (especially Saudi Arabia), of the Soviets, and of the alliance between the two entered into in the same year, which the author has named the Rockefeller-Soviet Axis."

"Evidence in the published records of Congress completely proves that the same CFR interests financed, through it subsidiary the Institute of Pacific Relations, the Communist Richard Sorge spy ring in Japan, that induced the Japs to attack the U.S. at Pearl Harbor, instead of following their original plan of attacking Russia. They thus precipitated another Rockefeller Crusade, the Roosevelt War...They were also responsible for the Korean 'Truman War' and for our involvement in it, as well as blocking its victorious termination."

"The CFR's masters and agents are intent on keeping us continually at war as a means of sustaining the `capitalist' or Marxist super-capitalist (mis)-managed economies that they support, for the ultimate purpose of attaining super-Napoleonic world conquest and totalitarian dictatorship, which they seek as their concept of `perfect government'...So intent are they upon keeping us at war to fulfill their malevolent intent, that they persistently equip our Soviet enemies with all the materiel of war with which they are slaughtering our men through their creations: Lend-Lease, the Marshall Plan, the UN, NATO, the Point 4 Program and others."

"The Communists (jewish conspirators) knew that Germany would have to be crushed, if they were to ever have complete dominance of the continent of Europe. Their conspiracy to destroy Germany, dates back to the year 1776, when on the first day of May, in Munich, Germany, an organization called the 'Illuminati' was launched by a group of atheists and free-thinkers. The founder and leader of this organization was Adam Weishaupt. Weishaupt was a cunning human devil, (literal son of Satan) whose dream in life was to destroy Germany, and to place the whole world under one government, headed by his God-hating 'Illuminati'."

Carr asserted that: "It would take volumes to quote all the evidence to prove that the international bankers organized, financed, and directed the Russian Revolution in order to obtain control of a vast territory so that the Illuminati could try out their ideas for totalitarianism" [p. 93] "Theirs has been a Long Range Plan. It started 3,000 years ago." [p. 94] "Communism and Nazism both use a form of Grand Orient Masonry for proselytizing purposes." [pp. 107-8]. Carr refers to "Lenin, the first canonized saint of the Illuminati totalitarian creed." [p. 143]. "My own research work has caused me to believe that the documents published by Professor Nilus in Russia in 1905 as 'The Jewish Peril', and by Mr. Marsden in England in 1921 as 'The Protocols of the Learned Elders of Zion', are the Long range Plan of the Illuminati which was explained by Amschel Rothschild to his associates in Frankfort in 1773 as recorded in Chapter 3 of this book." The Index to *The Red Fog Over America* indicates that more than one-half of the book is devoted to discussing the Illuminati---including pages 1-119, 186-189, 205-207, 221-242. Two of my favorite passages are as follows:

"The fact that President F.D. Roosevelt's 'New Deal', his N.R.A., and other political policies and economic devices fitted perfectly into the 'Long Range Plans' of the Illuminati proved the continuity of the conspiracy from 1841 to 1945. It has been explained at the end of Chapter X that Roosevelt made known his secret plans to establish a dictatorship in America in March 1939 when he gave a secret audience to some of his government's special committees. It also has been mentioned that Roosevelt was kept a virtual prisoner from after Yalta until his death, presumably to prevent him telling the truth in the event his conscience troubled him when he realized he was about to meet his Maker." [From page 192 of *The Red Fog Over America*]

"For the sake of emphasis, we repeat once more, the Communist Party in every country in the world, is controlled by the Illuminati. They use its subversive and destructive forces, to destroy our political and religious institutions. The Agentur of the Illuminati within the Canadian and American governments protect the members of the Communist party against action by the R.C.M.P. and the F.B.I. who could, if permitted to do so, arrest every potential revolutionary in North America within 48 hours of the order being given. But the Illuminati only use the Communists to the point where they have served their purpose, and after the Agentur of the Illuminati usurp power, like Lenin did, the Communists are 'Purged' and the only revolutionaries allowed to live are those who serve the Illuminati." [From page 229 of *The Red Fog Over America*.]

Myron C. Fagan: *Americans: A Blueprint For Victory!* (Hollywood CA: Cinema Educational Guild News Bulletin #46, 32pp)

Emanuel M. Josephson: *Roosevelt's Communist Manifesto* (New York City: Chedney Press, 128pp). This book incorporates a reprint of Clinton Roosevelt's *Science of Government Founded on Natural Law* [1841], which Josephson asserts is on Illuminist plans to enslave humanity. A flyer advertising the book contained the following description:

"Reprint of original edition, dated 1841, of Illuminist tract containing the first American publication of the plagiarized Communist teachings of Adam Weishaupt, a renegade Jesuit, and the substance of the Communist Manifesto. The Roosevelt version appeared seven years before it also was plagiarized by another member of the Order of Illuminati, Moses Mordecai Marx Levy alias Heinrich Karl Marx, in Germany. It embodies a blueprint of the New Deal, its NRA, and other devices, that became the tradition of the Roosevelt Dynasty. It is the pattern of an American dictatorship which they seek to impose. Their progress in imposing this dictatorship was slow until the present century. Now thanks to the support of the Rockefeller dominated 'Philanthropic' Foundation Trust, it is moving to ultra-rapid culmination.

The flyer also discusses the "*Insignia of the Order of Illuminati That Illuminist Jefferson Made The Reverse of the U.S. Seal*". According to Josephson:

"The significance of the design [of the U.S. seal insignia] is as follows: the pyramid represents the conspiracy for destruction of the Catholic Church and establishment of a 'One World' or UN dictatorship, the 'secret' of the Order; the eye radiating in all directions, is the 'all-spying eye' that symbolizes the terroristic Gestapo-like espionage agency that Weishaupt set up under the name of '*Insinuating Brethern*' to guard the 'secret' of the Order and to terrorize the populace into acceptance of its rule..." ANNUIT COEPTIS' mean '*our enterprise (conspiracy) has been crowned with success*'. Below, 'NOVUS ORDO SECLORUM' explains the nature of the enterprise: and it means '*a New Social Order*' or "*New Deal*"...Benjamin Franklin, John Adams (Roosevelt kinsman) and Thomas Jefferson, ardent illuminist, and defender of Adam Weishaupt, proposed the above as the reverse of the seal, on the face of which was the eagle symbol, to Congress, which it adopted on June 10, 1782...What is the meaning of the publication at the outset of the New Deal of this 'Gestapo' symbol that had been so carefully suppressed up to that date that few Americans knew of its existence, other than as a Masonic symbol? It can only mean that with the advent of the New Deal the Illuminist-Socialist-Communist conspirators, followers of Professor Weishaupt, regarded their efforts as beginning to be crowned with success. In effect, this seal proclaims to the people of the U.S. that the entire power of their Government supports the conspiracy to undermine and destroy it and the Constitution on which it rests---that it is a Government of traitors."

“All those who advocate any kind of a ONE WORLD GOVERNMENT, other than the Kingship of Christ, knowingly or unknowingly, further the Illuminati’s long range plans for ultimate indisputed control of the world’s affairs because the Illuminati conspire to usurp the powers of that government as soon as it is formed.

The *News Behind the News* in the October 1956 issue explained how the Illuminati planned in the final phase of their conspiracy to make atheists and Christians exterminate each other and leave the field clear for them to crown their leader King-despot of the Universe. The Hungarian abortive revolt was engineered by agents of the Illuminati to try out the effectiveness of their plot to subjugate mankind.”

Robert H. Williams: *Council on Foreign Relations A Zionist Front—Ike’s Boss!* (Union NJ: *Common Sense*, Christian Educational Assn newspaper, 1/1/58, p1-4)

“We have written much about the ADL and its parent B’nai B’rith, the American (?) Jewish Committee and a dozen other hard-core Zionist policy shapers. It is worthwhile to take a look at some of their fronts, especially the Council on Foreign Relations (which is interlocked with the Foreign Policy Association, the Institute of Pacific Relations, and some of the big Red tax-free foundations.) It is often called ‘Rockefeller’s Council on Foreign Relations’ but that is largely because its masters have used the naïve spoon fed Rockefeller boys to commit treason year after year against the interests of their country. This CFR was founded in 1919 at the Paris Peace conference chiefly by a handful of famous Jews—Zionist revolutionaries who surrounded and influenced Woodrow Wilson...Though the CFR was founded principally by certain Jewish revolutionaries—including some of the richest men in the world---the Rockefellers have been bled by it from year to year and have adopted Jewish internationalism in both politics and finance...The two important things to bear in mind in studying the CFR is (1) the power and influence of its members and (2) its subversive policies, activities and connections.”

William Guy Carr: “*The Illuminati and Public Opinion*” (Toronto ON Canada, *News Behind The News*, 03/58, p6):

“The Illuminati realize that the FORCE of united Public Opinion, if properly informed, can defeat their plans – even if their conspiracy has entered the final stage. Therefore, they plot to prevent those they intend to subjugate from being united in the common Cause of establishing God’s plan for the Rule of the Universe upon this earth. Dealing with this important problem, the Illuminati’s lecturer told the Agentur, ‘For a time we might be successfully dealt with by a coalition of the Goyim of all the world; but from this danger we are secured by the discord existing among them...We have set one against another, the personal and national reckonings of the Goyim; religious and race hatred, which we fostered into a huge growth in the course of the past twenty centuries...We are too strong...there is no evading our power. The nations cannot come to an even inconsiderable private agreement without our secretly having a hand in it.’

So afraid are the Illuminati of the FORCE of public opinion that the lecturer went on to explain: ‘*The principal object of our directorate consists in this – to debilitate the public mind by criticism; to lead it away from serious reflections calculated to arouse resistance; to distract the forces of the mind towards a sham fight of empty eloquence.*’ The lecturer continues: ‘*In order that the masses themselves may not guess what they (the Illuminati) are about, we further distract them with amusements. Games, pastimes, passions, people’s palaces...Soon we shall begin, through the press, to propose competitions in art; in sports of all kinds. These interests will finally distract their minds from questions in which we should have to oppose them. Growing more and more disaccustomed to reflect and form opinions of their own, people will begin to talk in the same tone as we, because we alone shall be offering them new directions of thought...of course through such persons as will not be suspected of solidarity with us.*’

News Behind the News does not have to name the people in Britain, France, the United States and Canada who have served the purpose of the Illuminati from 1776 to date – those who serve them have been built up to positions of prominence and power as a reward for their services! Our parliaments have been turned into ‘talkeries’. The minds of the masses have been subjugated until the majority think of little else than Horse Races, Numbers, Dog Races, Professional Sports, etc. etc...Do not the newspapers, radio stations, and TV programmes do the thinking for the vast majority of people? Control of the publishing houses has made it almost impossible to make known the existence of the Luciferian conspiracy!”

“We have exchanged our God-given rights of FREEDOM for LIBERALISM. We have swallowed the bait of Social Security and surrendered our PERSONAL INDEPENDENCE. We accepted the United Nations Organization and surrendered our National Sovereignty. We became slaves of the Illuminati...We are now accepting the idea of a ONE WORLD GOVERNMENT, little realizing that ‘THE NEW ORDER’ will be a Luciferian Totalitarian Dictatorship enforced by Satanic despotism...It is time to take action! The hour is late!”

[Note: Mary wrote a series of anti-CFR pamphlets in 1960. Much of that material then was published in 1961 as a series of Open Letters in *The Greater Nebraskan*, which was the newsletter of Congress of Freedom, Omaha NE. Then Mary re-issued the “open letters” individually, and in collections, under the auspices of her newly formed organization, Council on American Relations, which subsequently became known as Council For Statehood. [See, for example, Open Letters #12 and #13 captioned “To The Constituency of the U.S. Senators”]

The Council on American Relations published at least 2 versions of Mary's collection of anti-CFR articles. One collection, in 1961, was entitled: "*The Hidden Hand: Open Letters to a U.S. Senator*". The last 35 pages of this edition was entitled "*Secret Government of the United States*".

Another edition was captioned "*The Hidden Hand : Making Visible The Invisible Government of the Council on Foreign Relations: Open Letters To A United States Senator*" but no specific date shown. Confusing isn't it?

The John Birch Society's magazine, *American Opinion*, would later mistakenly credit Davison as having been the first person to articulate the CFR-conspiracy theory. [See, "New Books," *American Opinion*, September 1962, page 65].

"The key to the riddle of disastrous American diplomacy that consistently downgrades the United States, shows hostility to friendly rightist governments, strengthens our enemies and speeds the takeover by an anti-Christian world dictatorship is found in the golden key figuratively bestowed by membership in the most exclusive and powerful club in the world, THE COUNCIL ON FOREIGN RELATIONS. This closed fraternity of internationalists, left-wingers, sophisticates and reputed intellectuals—working in happy harmony with such interlocking organizations as the Bilderbergers, the Foreign Policy Association the Institute of Pacific Relations, the Zionists, the Communists and the tax-exempt Foundations of the ilk of Rockefeller, Carnegie and Ford---constitutes a hidden government that dictates foreign and domestic policy without regard to political party."

"Early in 1947 the Master Plotters, Council on Foreign Relations (CFR), set up the United World Federalists (UWF), officered and directed by REDS and Fellow-Travelers. The 'job' set for the UWF was to coerce, seduce, and bribe the legislatures of 32 States to pass 'Resolutions' memorializing Congress to transform the U.S. into a unit of a Federated (UN) One-World Government...NOTE: Don't dismiss this WARNING as alarmist conjecture. In our *News-Bulletins* Nos. 87 and 88, entitled '*Our Invisible Government Made Visible*', parts 1 and 2, we establish, with prima facie evidence, that the CFR is already in full control of our Federal Government...Our *News-Bulletins* Nos. 90 and 91 reveal how the CFR plant their stooges in the White House, the State Department and in all Federal Agencies. Every one of these *News-Bulletins* will startle you – shock you --- ENRAGE you...make you FIGHTING mad – and determined to smash this plot!"

Potito exposés “Satan’s organization, The Illuminati” which was founded by “the renegade Jew Weishaupt.” Potito also observed: “Indeed, the Jews, Karl Marx and Friedrich Engels, in their nefarious works on Socialism and the instigation of the first International, incorporated the Illuminati program bodily. The fact that communism is nothing but the Jew Weishaupt’s satanism has not been generally revealed. The point that we are getting at is, that the Jews had in Illuminism the weapon they needed to effect their world takeover.”

Oren Fenton Potito: *Our Rulers - Who Are They?* (St. Petersburg FL: *National Christian News*, Vol 3, #5, page 1):

“Many right-wing organizations mistakenly refer to the Council on Foreign Relations as the hidden government which rules America, through its control of all permanent and politically unattached bureaucrats, cabinets, and agencies and authority heads and other appointed officials who must answer to no voters, no political parties, but only to the CFR and its companion departments such as ‘1313’. To say that the CFR is the entire hidden Government controlling Washington, is not telling the truth and conceals the identity of our real enemies...Within this exclusive club, known as CFR, there is an even more exclusive club known as BAC (Business Advisory Council). BAC is the next step hierarchy which runs the CFR while the CFR runs our Government...Does this mean then, that the BAC constitutes the ‘master mind’ behind the entire hidden Government? We have another surprise for you! It does not! The BAC itself is subject yet to another group. This hidden hand is called ‘The Illuminati’ a select group of Jews and their proselytes. Both of these previously named organizations take orders from this establishment...The Illuminati was established in 1776 by Adam Weishaupt, an anti-Christ JEW. Understand that, once and for all, he was not a German...he was an ANTI-CHRIST JEW. Yes, just as Communism was founded and is today controlled by International Jews, so too is the CFR, the Business Advisory Council and the Illuminati. Yes, its true the Illuminati was founded and is today controlled by International Jews, who intend to force upon the world ONE WORLD GOVERNMENT under anti-Christ satanic Talmudism.”

Ned Touchstone (editor): *The Councilor* (Shreveport LA) – April 9, 1965 issue, discusses “the role of a secret society in the assassination of American presidents—including Abraham Lincoln. Even before the death of Kennedy, *The Councilor* had clues which pointed to the existence in New Orleans of a secret society organized nearly 200 years ago in Bavaria. This society uses political assassination as a method of controlling world money markets. Other historians have linked this group to Jacobism (sic), Bolshevism, and Communism...The organization was the Bavarian Illuminati.”

However, they found it most suited to their ends, as the Communists or the CFR elitists of today do, to utilize the intellectual talents of these Jewish-born apostates. They were especially placed in conspicuous positions so as to insure a victory of sorts if they would not succeed - thus polarizing among the masses those who would be stupid enough to blame the Jews for Illuminism, Revolution, Bundism, Socialism or Communism."
